### **MCFI offers new camp for 8-12 year olds**

*Children with and without disabilities welcome*

MILWAUKEE – MCFI is offering a new camp just for 8-12 year olds, with or without disabilities.

MCFI's Adventures for LIFE kids camp lets campers make cooperative decisions about activities, and learn life skills such as independence, accountability, negotiation and decision-making.

Our outdoor activities provide a nurturing environment that encourages interactive group play, social-skill development and healthy risk-taking while exploring the natural world.

The costs per week are \$275; there is also a \$25 registration fee. Camp weeks are July 10-14 and July 17-21; time is 8:30 a.m. to 4:30 p.m.

For more information, please contact Deon Franschczak, 414-937-2100 or [deon.franschczak@mcfi.net](mailto:deon.franschczak@mcfi.net). To register, visit:
